Hello Josiah,

I wanted to express how amazing your performance was at our Pediatric Christmas event on December 20th. I work with all our pediatric cancer families and I was in charge of finding entertainment for our guests. We have two events a year for our pediatric patients and I really do like to make them special. I went to look on Facebook and that's where I came across you and your magic. You made booking for our event so easy and I greatly appreciated that. We spoke to our guests and they only had good things to say about you. Unfortunately, I was very busy and wasn't able to see a magic trick up close. But I did watch from a distance every chance I got. I witnessed the guests being totally amazed and I always knew where you were in the building because of the audience clapping. I just want to thank you so much for being a part of our event and making sure all the guests had wonderful memories to take home with them. We have several events that we put on throughout the year and I can't wait to work with you again. We will be reaching out to you soon. Again, thank you.

Sincerely,

Gina Aguilar, Pediatric Financial Navigator/ Kern County Cancer Foundation
