Dear Josiah Bunde,

Thank you so much for your magic performance for Greenspace's Volunteer Appreciation Day on June 22, 2025. Your entertainment was a big hit, and made the day special for everyone, from the kids to our senior folks.

You connected with the crowd so well, and involved us all in a participatory experience. Your tricks were engaging and professional.

Our volunteers felt special that we provided such fun entertainment, and your inclusion of our purpose of caring for the trees and the land made it personal.

As the coordinator, it was very easy to work with you on booking, even when I needed to make slight changes in the schedule. You adapted well to our specific needs re: mingling with small groups and doing a larger group performance.

I would recommend you to any gathering to add some mystery and mirth to their day.

Take care,
