Josiah,

The students and staff of La Viña Middle School would like to thank you for the wonderful show you performed for us last week! My teachers tell me the show was quite the topic of conversation following lunch!

I appreciate your willingness to visit our school on such short notice. Equally as impressive was the personalized audio message that I played for students the morning of the show.

My students had a great time watching the performance, and you did a great job incorporating the students into the show. Walking through the crowd, having students assist with some of the tricks, and questions to elicit audience feedback all kept students engaged.

From booking, to performance, to after show follow-up, you were a true professional! Thank you for a magical day, and we hope to work with you again in the near future!

Respectfully,
